PREMIUM QUALITY BUILDING AND FINISHING MATERIALS

We careful choose high – quality materials that are suitable for the island‘s climate and can perform well in its unique conditions

- The furniture is individually designed and assembled by hand with great care and attention to detail
- Natural Italian marble and premium quality porcelain tiles with Crystaline technology are used to ensure the longevity and durability of the apartment’s appearance for decades

SMART

TECHNOLOGIES

All apartments are equipped with a smart remote control system by Digitels

IMAGINE LIVING IN A HOME **THAT KNOWS EVERYTHING ABOUT YOUR NEEDS**

Smart sensors recognize when you've left the house, and automatically turn off lights and air conditioning

MAGNUM RESIDENCE SEMINYAK

YOUR VOICE ASSISTANT

Control the lights, air conditioner, curtains, or TV

MAGNUM RESIDENCE SEMINYAK

A SERVICE THAT TAKES INTO ACCOUNT YOUR NEEDS

The management company takes care of all the maintenance of your property:

- 24/7 security
- maintenance and overhaul
- complex territory cleaning
- apartment cleaning, linen change
- ensuring the smooth operation of all systems
- rental of your property
- accrual of rental income to any bank account
- tax payment
- financial reporting

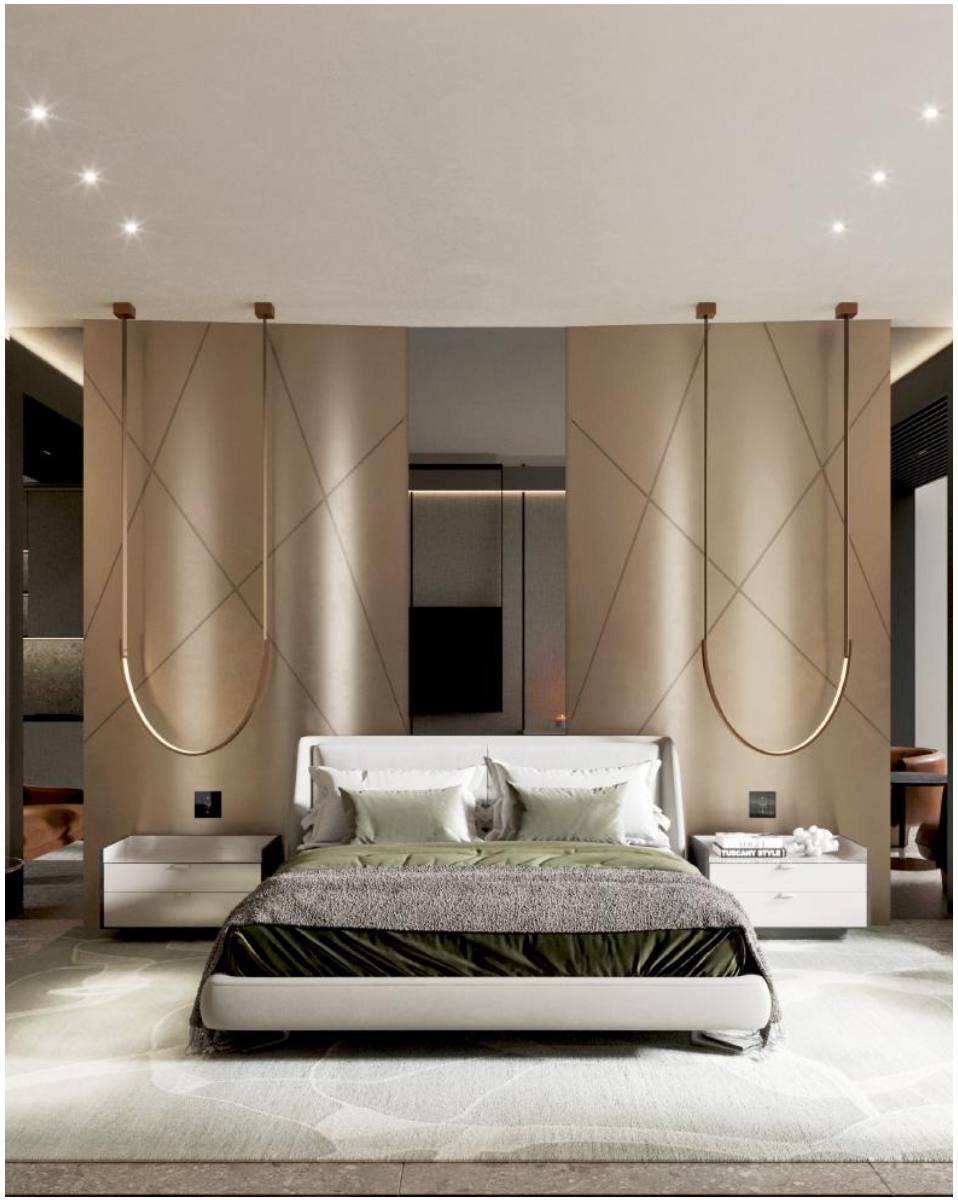
MAGNUM RESIDENCE SEMINYAK

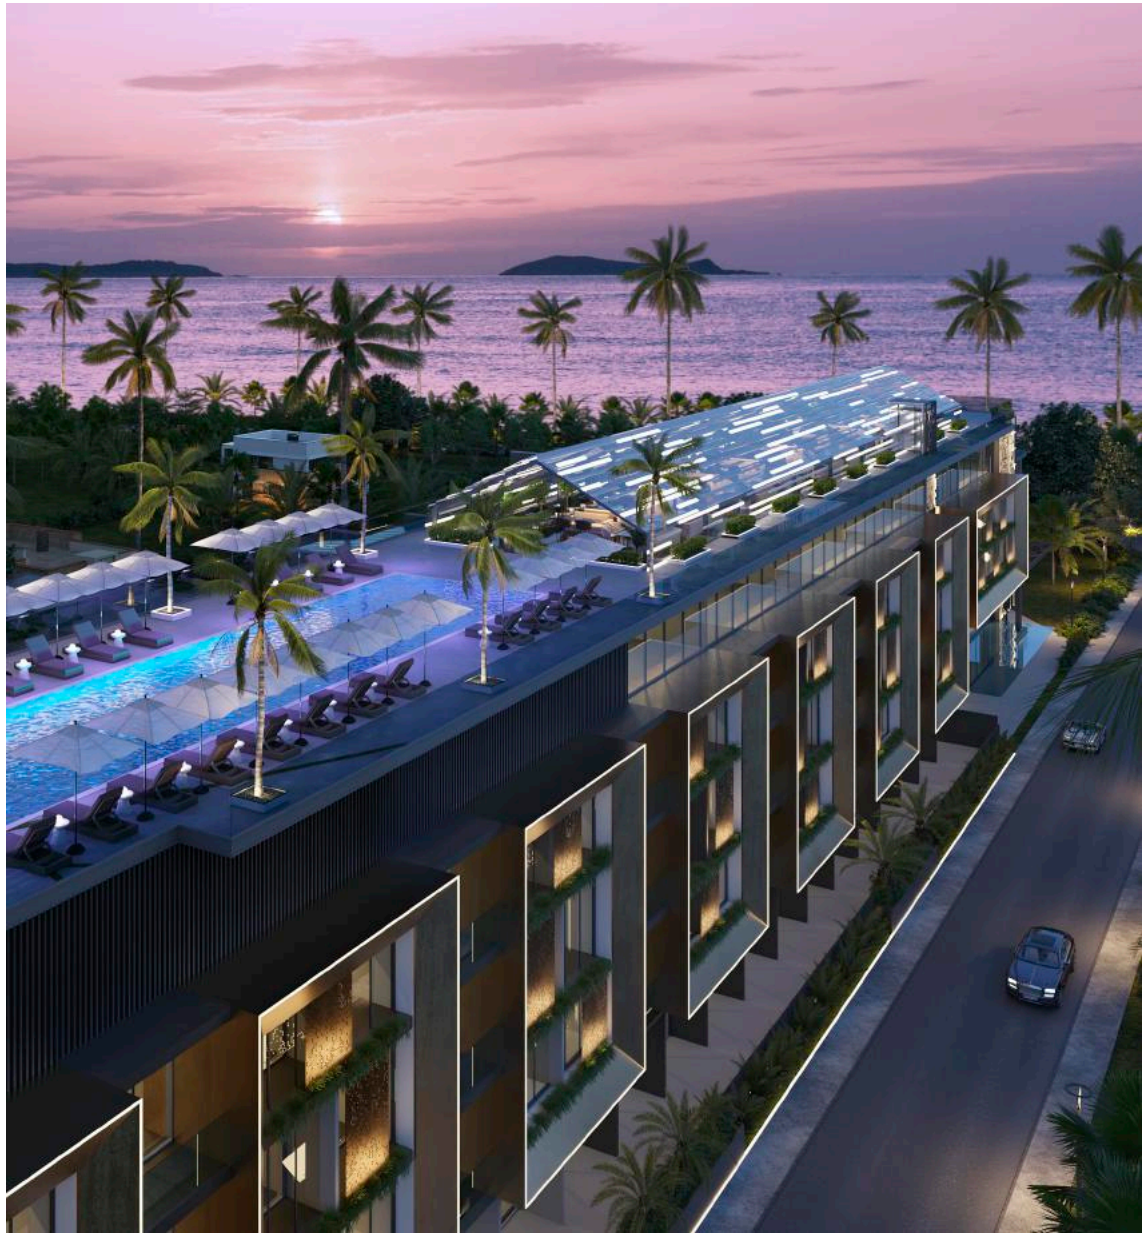
IN – DEMAND RENTAL FORMAT

75% of the tourist flow consists of people who prefer hotel-type complexes with quality service and infrastructure

Most first-time visitors to Bali stay in a hotel rather than a villa to protect themselves from accidental encounters with insects and reptiles

Magnum Residence Seminyak is designed and developed for the main tourist request - short-term rental format





DELIVERY TIME: II QUARTER 2024

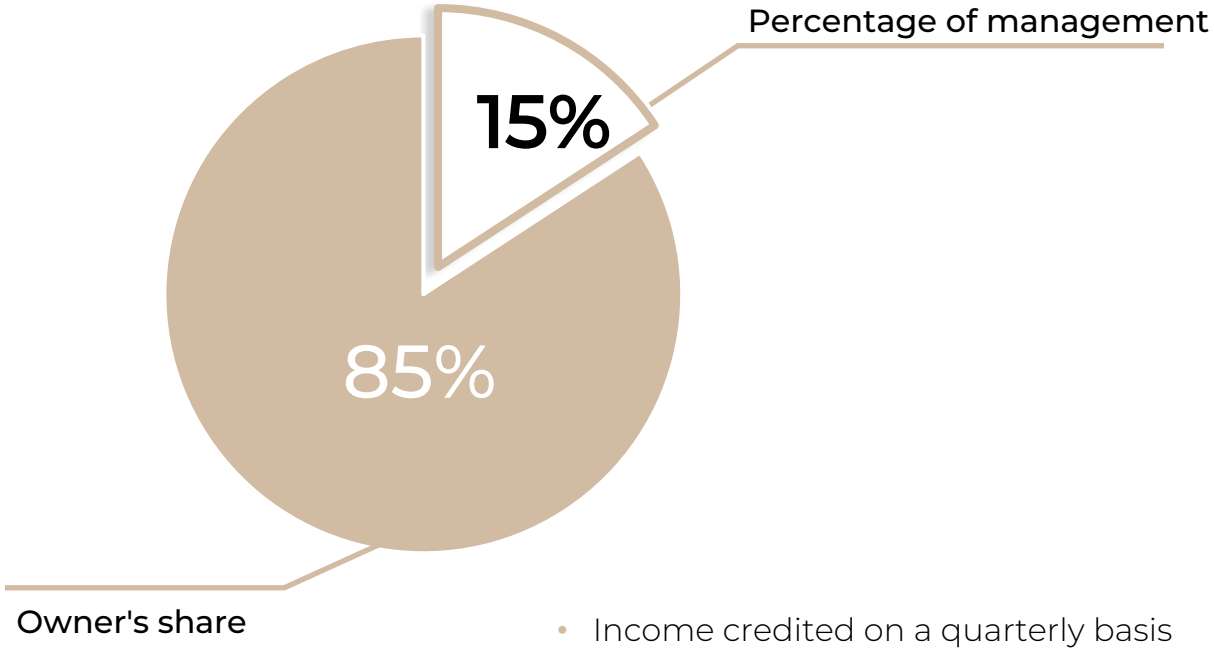
No restrictions
on personal residence

HIGH INCOME POTENTIAL
AND REAL ESTATE
VALUE GROWTH

Potential occupancy rate: 90% +

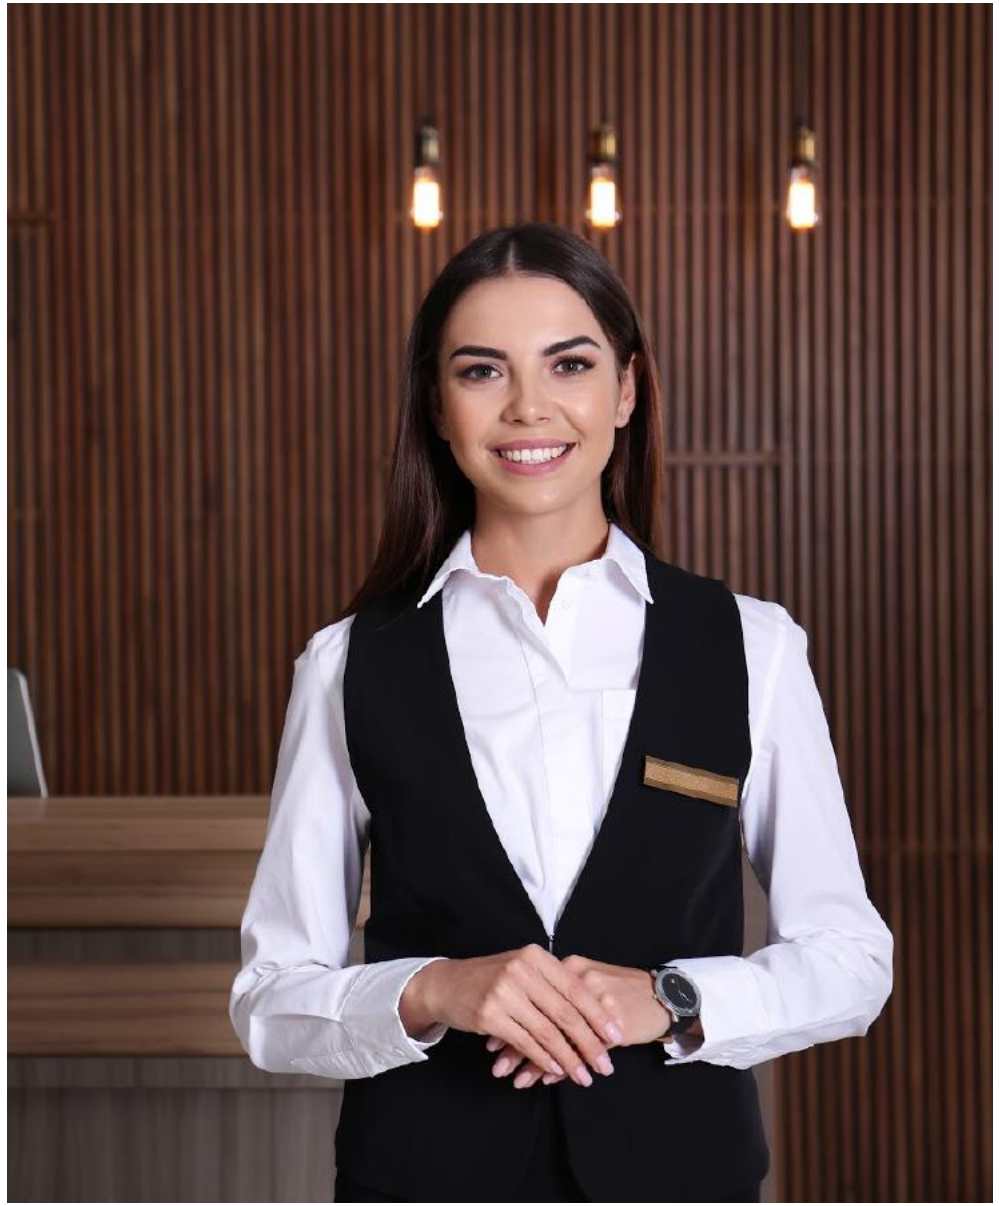
Projected rental value: $160 per night

YOU CAN RENT OUT YOUR APARTMENTS
FULLY REMOTELY
through our team of managers to receive **passive income**



- Income credited on a quarterly basis
- No operational risks - the property is insured
- Transparent reporting

**a detailed calculation of profitability and expenditures can be obtained from our managers*



5 ADVANTAGES OF INVESTING

IN MAGNUM RESIDENCE SEMINYAK

1. **A unique tourist location.** The complex is located 30 meters from the ocean in the most famous tourist area of Bali
2. **Freehold.** Perpetual right of ownership of the property
3. **High occupancy rate.** The projected occupancy of the complex - 90% and higher
4. **The readiness of the complex - 70%.** The structure is already built
5. **High potential for profitability and resale**

MAGNUM RESIDENCE SEMINYAK
