EMBRACE LIFE

The Double Volume Lobby is designed to bring about the first impression with warm welcome as the first step you take into this project. The collage concept with the scent of vintage style will attract you into the new chapter of life.

A photograph of a modern, curved marble staircase with a black wrought-iron railing. The staircase is set against a large window that looks out onto a green landscape. A chandelier hangs from the ceiling. The text is overlaid on a piece of paper in the bottom left corner.

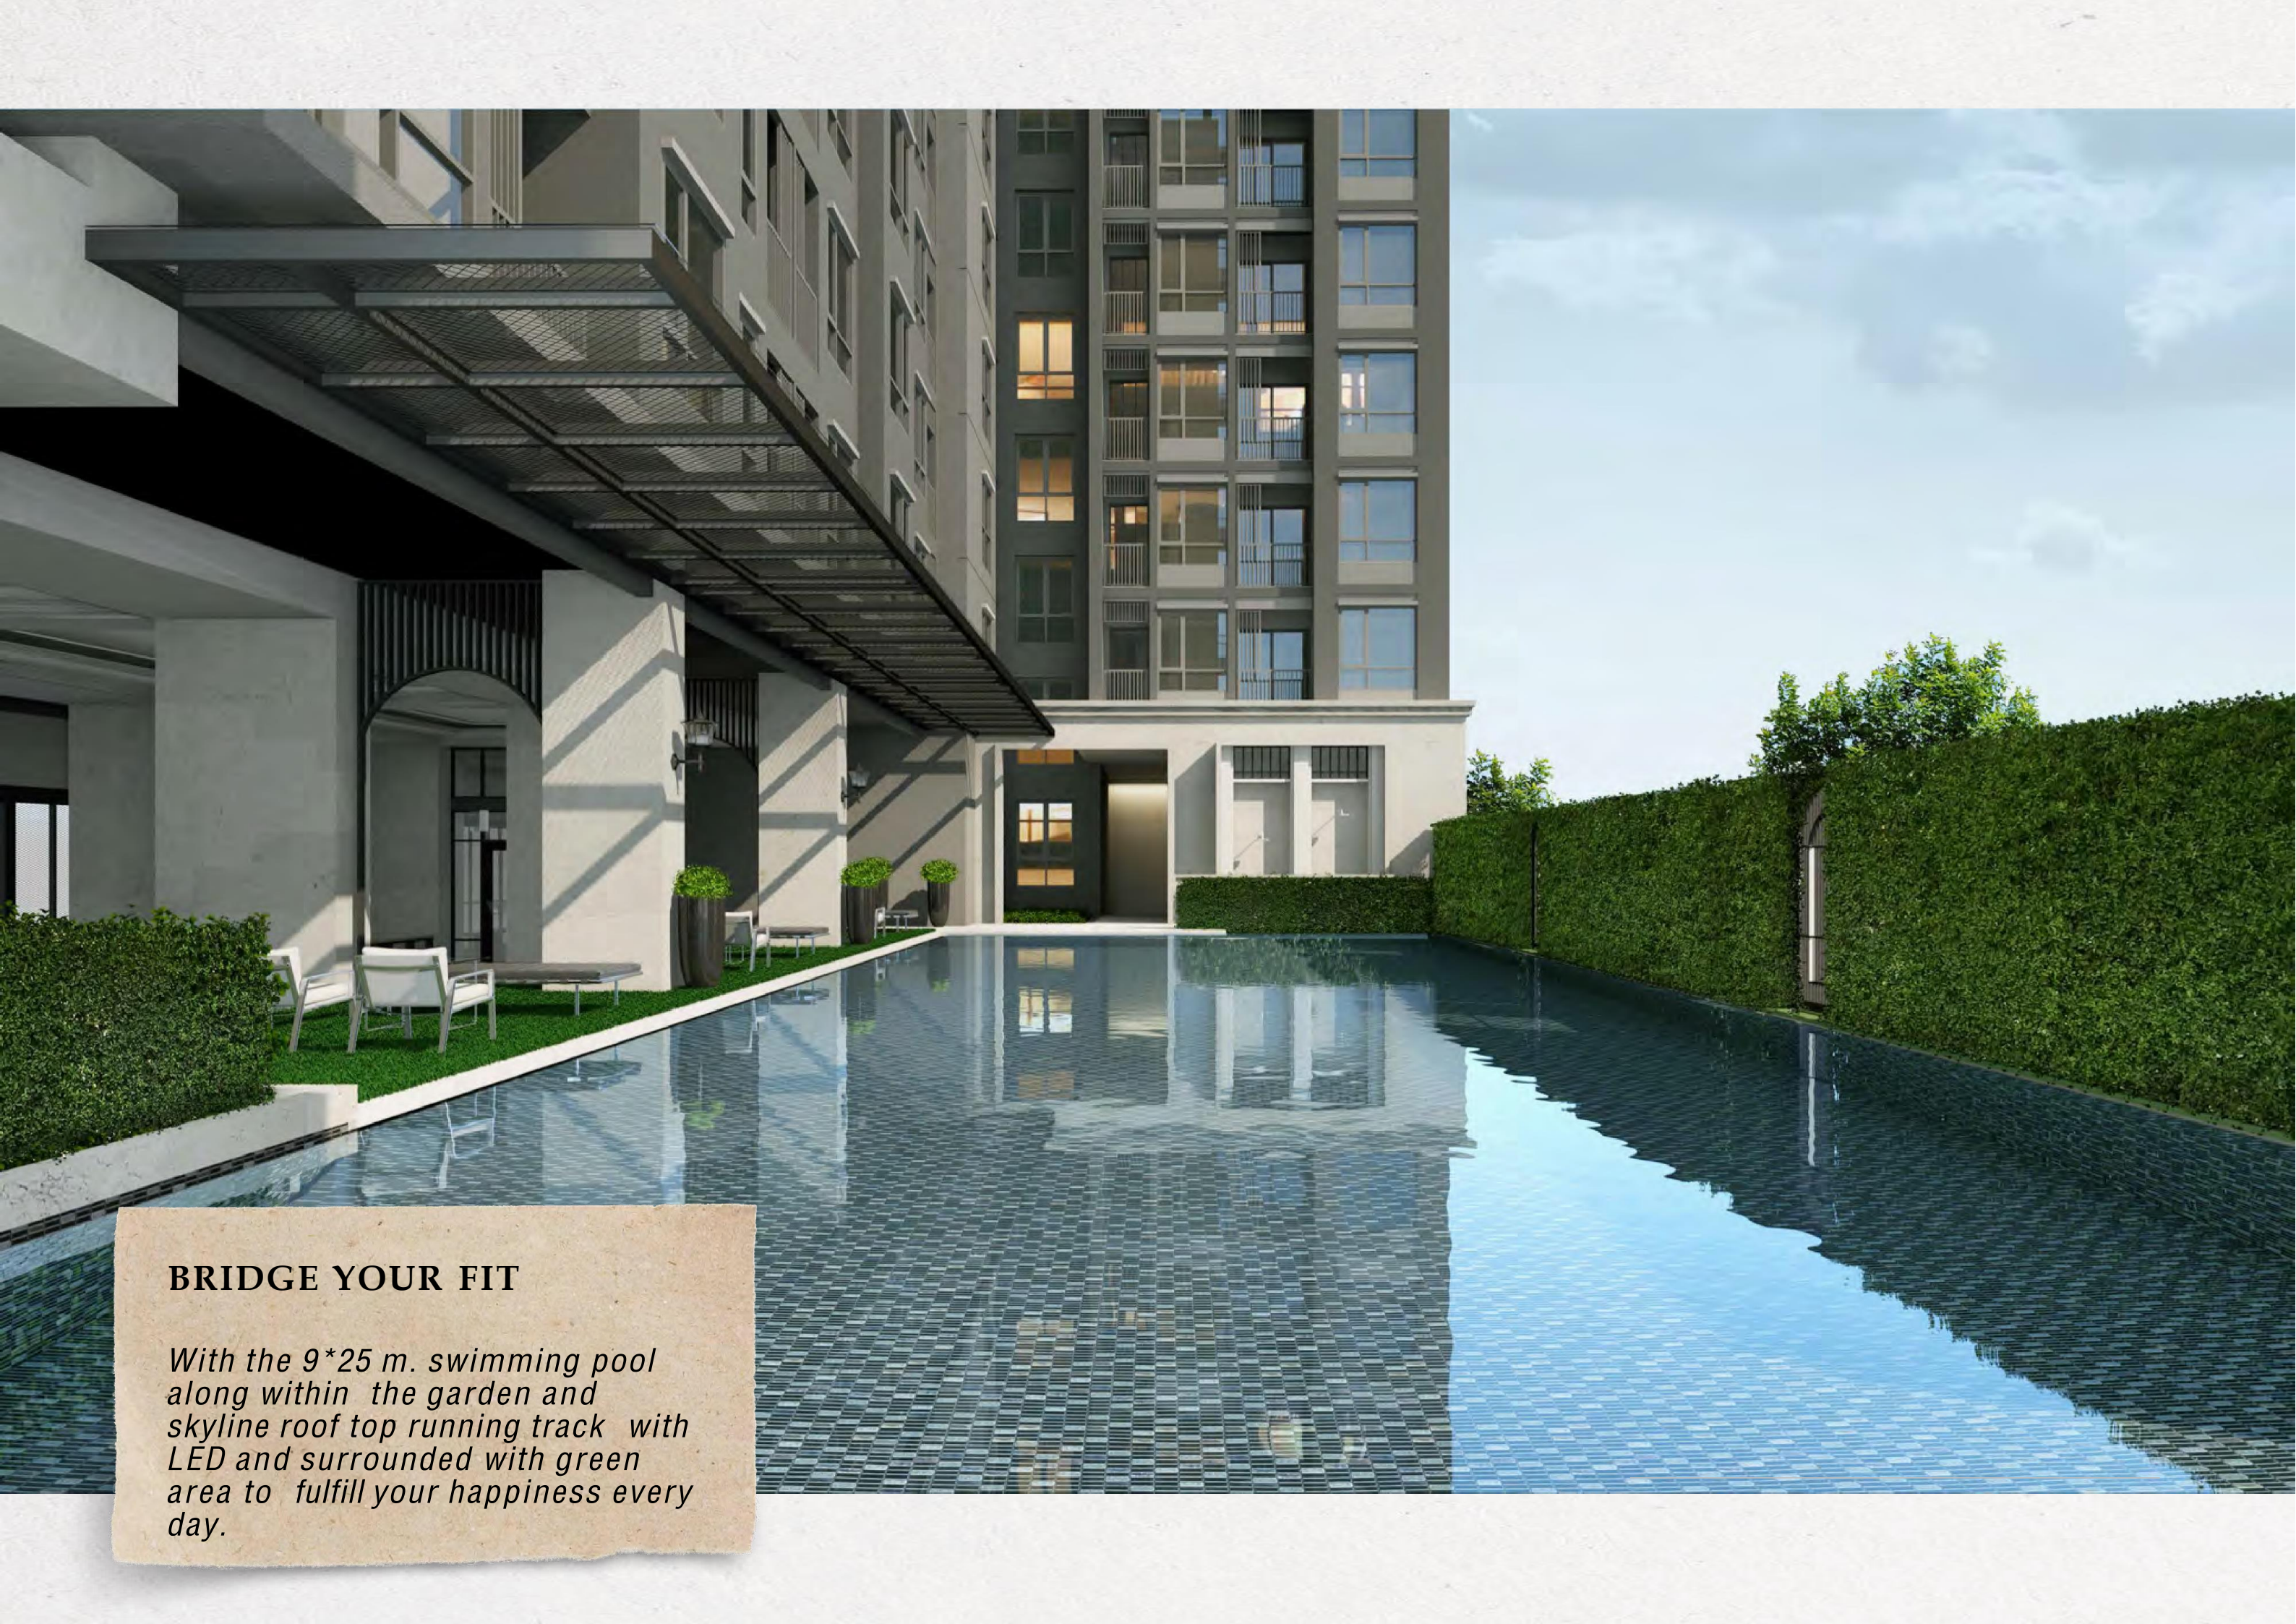

BRIDGE YOUR STYLE

The unique architecture and distinctive interior design of Grand Stair at the lobby which connects the common area to the facility on 2nd floor representing the esthetic mixture of classic style to modern industrial perfectly.

BRIDGE YOUR LIFE

More than 350 sq.m. of co-working & living space which designed for suiting every life style. Make you feel comfort under the atmosphere of relation. Also inspired for unlimited of living.

The image is a high-quality architectural rendering of a modern residential development. In the foreground, a large, rectangular swimming pool with a blue and white checkered tile pattern reflects the surrounding environment. To the left of the pool, there is a landscaped garden area with green grass, white lounge chairs, and several potted plants. A long, covered walkway with a dark metal mesh roof extends from the building towards the pool. The building itself is a multi-story structure with a light-colored facade and large windows, some of which are illuminated from within. To the right of the pool, there is a tall, dense green hedge. The sky is a clear, bright blue with a few wispy clouds. The overall atmosphere is one of modern luxury and outdoor living.

BRIDGE YOUR FIT

*With the 9*25 m. swimming pool along within the garden and skyline roof top running track with LED and surrounded with green area to fulfill your happiness every day.*

BRIDGE YOUR CUISINE

Co-kitchen space and Co-pantry consists of main kitchen center for preparing the ingredients and closed kitchens which separated from each other which allows you discover new ideas of cooking including hood system.
